COOPERATIVE  
EXTENSION

# PLUGGED INTO ENERGY RESEARCH

LECTURE SERIES

# Energy Efficiency in RI: Equity and Innovation

THURSDAY, DEC. 5, AND MONDAY, DEC. 9, 2019

7-9 P.M. ROBERT J. HIGGINS WELCOME CENTER  
45 UPPER COLLEGE ROAD, KINGSTON, R.I. 02881

Join energy leaders for two lectures highlighting the latest energy efficiency priorities for Rhode Island, including efforts to increase accessibility of money-saving programs to all Rhode Islanders, and unique approaches to energy efficiency innovation for homes and businesses.
