

STATE OF RHODE ISLAND

ENERGY EFFICIENCY & RESOURCE MANAGEMENT COUNCIL

CONSULTANT TEAM

Consultant Team Workplan Summary

Presented By: EERMC Consultant Team

Date: January 21, 2020

Presentation Objective

- Scope of Work adds a new deliverable in response to an item added to RFP: “Quarterly memos on Consultant’s work towards key deliverables, activities and events.”
- The first memo will be reviewed at the April EERMC meeting - key elements will be a report on the previous quarter results and preview of the upcoming quarter
- To support the April report’s Q1 review, this presentation provides a preview of the main deliverables, activities and events so that there will be references to expected results
 - Preview is broken out by the five groups included in SOW: Policy; Sectors: Residential/IE and C&I (also covers SRP); EM&V; Education/Communications

Q1: Policy & Regulatory

- EERMC meeting materials and support
- Draft proposed EERMC Priorities and support EERMC's finalizing its Priorities by March
- Anticipated PUC technical sessions associated with PUC ruling to delay vote on 2021 PIM
- Preliminary discussions on options for Demand Response PIMs
- Monitor any nascent discussions on LCP Legislation
- 1-1 Council member meetings upon request

Q1: Sectors (& SRP)

- Late Jan.: Meeting with Grid, OER and C-Team Sector Leads to establish objectives and support for effective, streamlined monthly sector oversight meetings, and to establish 2022 Planning strategy meetings
- February and March – Implementation Oversight meetings for each sector
- Follow-up meetings/discussions on Multifamily meetings held in Dec. 2020/January with stakeholders focused on low/moderate income
- SRP: Continue discussion of outstanding items flagged during Nov. EERMC meeting; stakeholder priority discussions in March

Quarter 1: EM&V

- January: Ensure full coordination with Massachusetts EM&V activities to ensure all useful results are leveraged and optimize RI spending
- Ongoing: Monthly Meetings to monitor status of all evaluation studies underway or planned
 - One for each sector: residential/IE and C&I

Q1: Education/Communications

- January: Develop RFP for Production of Educational Energy Videos
- February: Develop RFP for Energy Education & Outreach (Public Forum, Lecture Series, Video Outreach)
- March: Develop RFP for Energy Training for K-12 Teachers
- EERMC Website Refresh
- Develop Annual Report Draft
- Monthly: EERMC Education subcommittee mtgs
- Support/participation in Equity Working Group
- Participation in stakeholder EE & SRP TWG mtgs
