Session #1 Recap

Council Purposes, History & Resources

- Website analytics have been set up, results to be shared once more time has passed
- Printed resources will be synced up and made available at annual retreats

Discussion on Council Member Experience

- One-on-one meetings happened in summer, expect inquiry for more this month
- Sale of National Grid in process, will be discussed later at this retreat

Advancing Equity in RI Energy Efficiency Programs

- EWG presentation in October, key focus of planning process
- 2022 and longer-term next steps addressed later at this retreat

Regulatory Overview with the RI Public Utilities Commission

- Discussions with PUC to be addressed later at this retreat

Session #2 Objectives

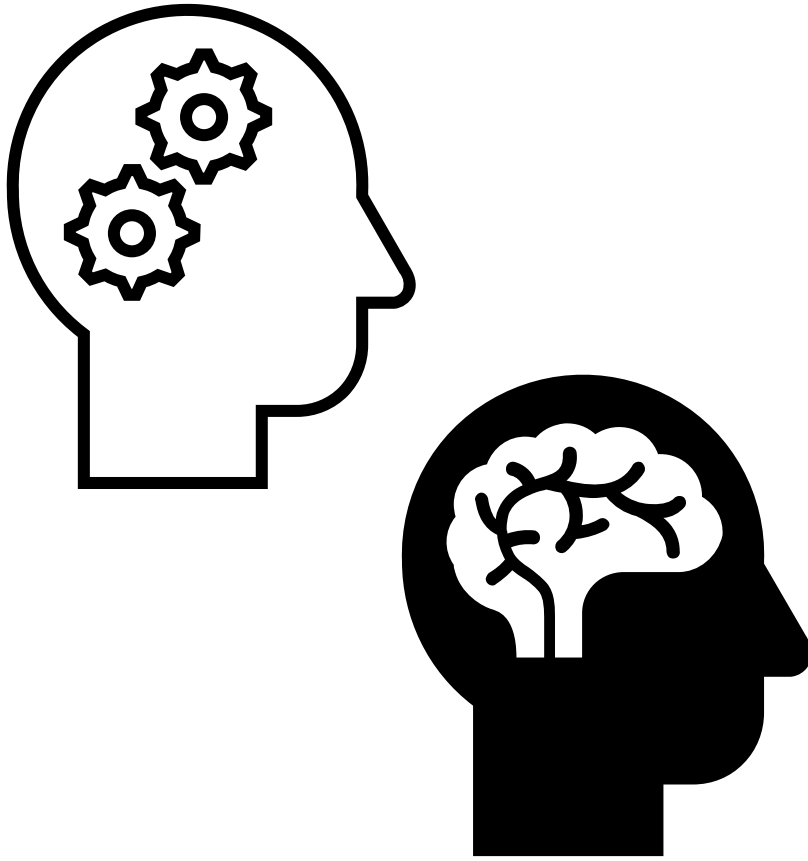

Discuss and understand key concepts of strategic electrification and HVAC market transformation and the roles they play in Rhode Island's energy future

Brainstorm and discuss long-term priorities and considerations, including equity and decarbonization

Have the opportunity to interact informally with one another

Keep in Mind

We want to hear from you!

More conversational than formal

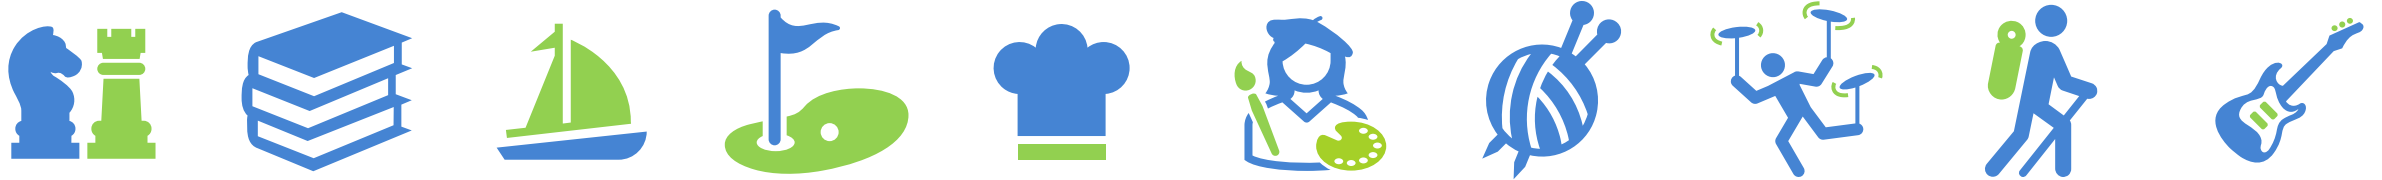

Respect each other's thoughts,
perspectives and opinions

Keep discussion forward-looking

Tend to your own comfort

Ice Breaker

What's your favorite hobby right now?
Or what's a hobby you've always wanted to take up?

If you could meet any historical or present-day figure, who would you choose and why?

QUESTIONS BEFORE WE GET STARTED?

PUC Proceedings Update
