## 2022 EERMC Councilor Education & Advancement Meeting - Session #1

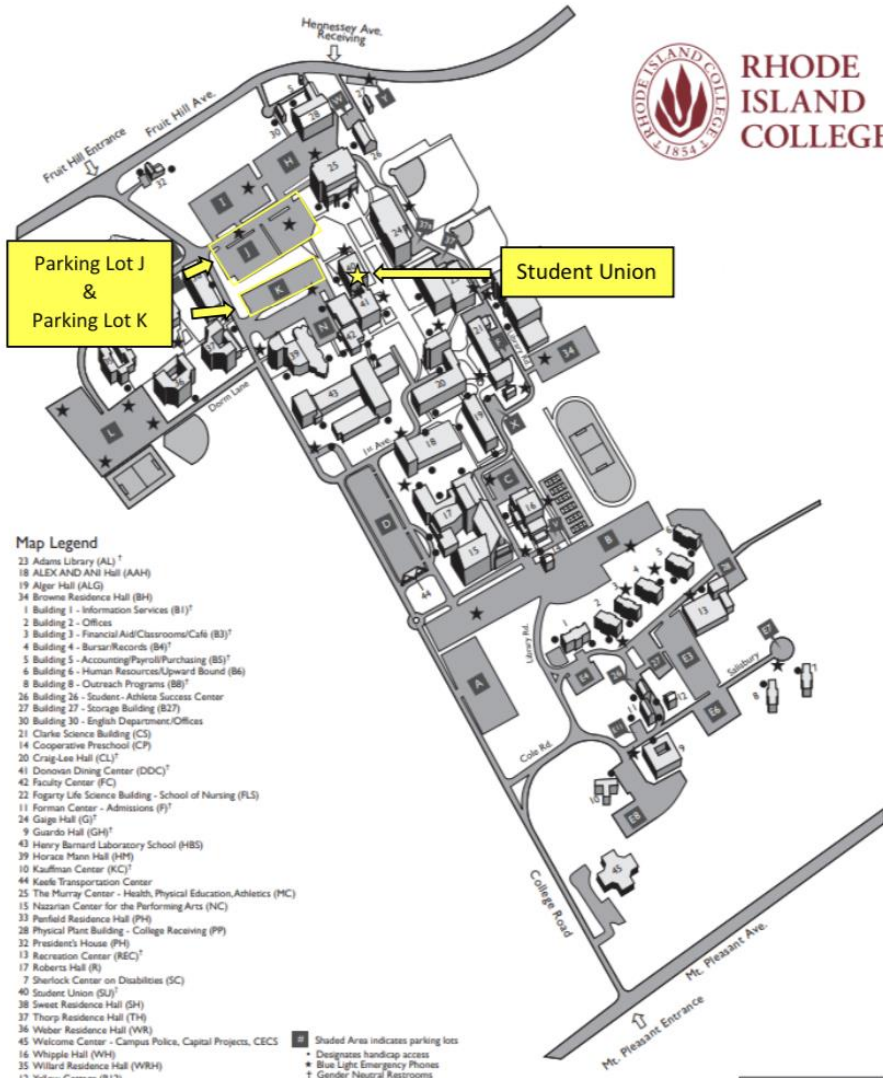

Thursday, June 30th | 1:00 - 4:00 PM

Rhode Island College, Student Union, Room 307

If you are not familiar with the campus, please see the map on the following page. You can also refer to these [Directions to the Campus](#) and this [Interactive Campus Map](#).

1. Navigate to [Rhode Island College, 600 Mount Pleasant Avenue, Providence, RI 02908](#). This will take you to the main campus entrance.
2. Follow College Road straight for about 0.7 miles.
3. Turn **RIGHT onto 6<sup>th</sup> Avenue**.
4. Turn **RIGHT into Parking Lot J** (see map on next page). The Murray Center building will be at the far end of the parking lot. The closer you can park to that, the shorter your walk will be.
5. **Walk up the pathway to the right** (if you're facing the Murray Center) toward the Student Union (you'll see black umbrellas on the patio tables). This [Interactive Campus Map](#) has a nice illustration of the pathway between Parking Lot J and the Student Union (it's a short distance). We will also post some direction signs along the way.
6. Either **enter the Student Union** on the first floor through the dining hall or walk up the stairs to the main entrance.
7. Take the stairs or elevator to the **Third Floor** and follow signs to **Room 307**.
8. Call or text Rachel at 401-580-2901 if you have any trouble finding us or are running late.

<sup>†</sup> Gender Neutral Restrooms  
Single occupancy restrooms located throughout campus, heretofore assigned by gender but in practice often used irrespective of gender, have been designated as gender neutral. These converted units address concerns about gender intolerance and gender identity in the availability of restroom facilities. Each unit is ADA compliant and provides a private, family friendly facility for occasions when the gender of a parent differs from that of a child or for when a caregiver must tend to an individual in need of assistance.
