

Council Q3 Agenda Planning Presentation

Office of Energy Resources
July 16, 2026

All materials associated with the Energy Efficiency Council are the work of the "Energy Efficiency and Resource Management Council" and any public meeting materials posted on the RI Secretary of State website should be searched using that title.

Overview

- Review proposed agenda topics for August – October Council meetings
- Share feedback and questions on what you would like to see at these meetings
 - Would you like to see some Council Member led discussions?
- Next Steps & Discussion

Introduction

- Presently, the Council will be expected to vote on whether to endorse the 2027-2029 Three-Year Energy Efficiency Plan by August 15, 2026.
 - The August Full Council Meeting is Scheduled for August 20, 2026.
 - Is there any interest in rescheduling the August meeting to August 13, 2026 from 3:00 – 5:00 p.m.?
 - Is there any interest in rescheduling one of the September meetings to have two meetings in August?

August 20, 2026

- August draft agenda posted as a supplemental meeting material
 - Because of the Three-Year EE Plan timeline, the August agenda will likely look very similar to the September 25, 2025 agenda.
- Departing Council Member Tom Magliochetti invited to share remarks at end of meeting.

- **Proposed topics:**

- Regulatory Proceedings Update and Discussion (C-Team)
- Rhode Island Energy Presentation of the Final Draft of the 2027-2029 Three Year Energy Efficiency Plan
- Consultant Team Presentation on the Final Draft of the 2027-2029 Three Year Plan

- Council Discussion and Potential Vote on the 2027-2029 Three Year Energy Efficiency Plan
- Remarks from Tom Magliochetti

- **Proposed Topics:**

- Rhode Island Builders Association discussion and Home Show recap
- Regulatory Proceedings Update
- Q1/Q2 2026 EE plan implementation results (RIE/C-Team)
- Planning for Second LEAD Session

- **Proposed Topics:**

- Green and Healthy Homes Initiative (GHHI) presentation Equity Working Group updates
- Rhode Island Energy Presentation of the Final Draft of the 2027-2029 Three-Year SRP Plan.
- Consultant Team Presentation and Facilitated Discussion on the Final Draft of the 2027-2029 Three Year SRP Plan.
- Discussion on Comments and Engagement with PUC's 2027-2029 EE Plan Docket (C-Team)

October 15, 2026

Proposed Topics:

- URI Cooperative Extension Updates on Public Education Programming and 2027 Proposal.
- RIE presentation on ConnectedSolutions Demand Response for Summer 2026.
- Facilitated Council Discussion and Potential Vote on the 2027- 2029 Three Year SRP Plan
- Update on the progress/results of the 2026 Consultant Services RFP

Next Executive Committee - October 15, 2026

Proposed Topics:

- Planning Discussion for November, December, January, and January Executive Committee meetings.
- Committee Discussion on Consultant Services RFP
- First Review of 2027 Legal Services RFP Draft

Additional Topics for Consideration

- Cost Effectiveness Report Presentation (C-Team)
- OER Presentation on its Energy Benchmarking Initiatives (November?)
- Planning a Second LEAD Session
- C-Pace and RIIB Programming
- Outside guests from other jurisdictions or organizations (MA DOER, ACEEE, etc.)
- Councilor-led discussions (what's new in energy at your workplace, with your stakeholders, etc.)

Council Member Discussion

Which topics feel most urgent and relevant right now?
